EVENT DETAILS

This is a great event to showcase your business and give back to the community. We will be having a facepainter and balloon artist available. The chamber will also be giving away small tattoos and have small pumpkins available for sale.

This event was a great success last year that brought out approximately 1000 children and parents! Registrants should supply candy, giveaway items, Halloween items, etc. Feel free to incorporate information about your business to the items.

The event will be advertised throughout the community bulletin boards and websites along with local radio station. And flyers will be provided to the schools to be sent home with the students the week before the event.
